## ICTA Update

By Liz Corneil

Three cheers for Central! We had another successful year playing competitively through ICTA and Toronto Ladies. It was a challenging year with many rainouts and even a power failure, so it wasn't until September that all the results were finalized. Thank you captains!! You had your work cut out for you this year, for organizing and reorganizing, time and time again. You all deserve medals. Thank you to all the players who represented the club so well.

### Ladies League Champions:

Special recognition must be given to the Ladies A2 team captained by Pam Phelan and Cyndy Vrancart. Not only did they win the Mid West Division, but they advanced to the Majors!! As a trial for the 2004 season, the ladies league is fielding two rather than one Majors team: Majors West and Majors East. This will reduce the travelling time and allow movement amongst teams throughout the league. Additional A teams will be invited to make up the two Majors teams. The Central A2 team, now a Majors team, will look different next year. If you have played competitive tennis and would like the challenge of playing majors, please come to the tryouts in the spring. Watch for future communication (via newsletter and our website [centraltennisclub.com](http://centraltennisclub.com)) in the new year.
