President's Report

By Marisa DeFrancesco

It has been a very busy and exciting season at Central Tennis Club. Between our "extreme makeovers" (i.e. clubhouse painting, court resurfacing and new scoreboards) and sensational tennis matches (i.e. Monday morning round robins, Friday morning house league, Friday night house league, ICTA matches on Tuesday and Thursday nights, Junior Team matches on Saturdays, 55+ round robins on Tuesdays, tournaments and socials, and lessons and clinics everywhere else in between), Central has been the place to be this season! All members of Executive have worked hard to make this club a really great place and one that you can all take pride in, but we thank you for providing all the excitement and fun, both on and off the courts, and for helping out whenever needed. I am also deeply grateful for the strong support and expertise of an extraordinary club pro, Stan Palmateer, who has a magical way of teaching and coaching and lifting our spirits. Please read the following highlights of some of the events of the year. A full report from each executive member will be presented at our Annual General Meeting which will be held on November 16th at Montgomery's Inn at 8:00 p.m. We hope you will attend and also share your thoughts and opinions with us as well. Don't miss our **Club Closing Social and Round Robin to be held this Saturday, October 16 from 11 until 2 for the adults and 3 until 5 for the juniors.** We will be taking our windscreens down on October 30 (rain or shine) but hope to keep the nets up and the games going until cold weather shuts us down. Thanks for the memories and for another great season!

Central had another great year of competitive tennis in the Inter County and Toronto Ladies Leagues. Special congratulations to the ICTA "C" team which finished first place in their division. There is a great deal of interest in playing on a team for Central so next year we plan to have another "C" team playing on Thursday night. This will mean we will have 4 teams, two on Tuesday evening and two on Thursday evening. Many thanks to the team captains for all their enthusiasm and organizational work and to the players for their sportsmanship and dedication to the teams.
